Experience

Barista

Starbucks
Scottsdale, AZ
November 2017 - Present

My role as a barista cultivated exceptional attention to detail, customer service, and communication skills, which I am eager to leverage to meet client needs, collaborate with teams, and ensure an excellent user experience

Refrigeration Technician LG

Phoenix
March 2016 - November 2017

As a refrigeration technician, I honed my problem-solving skills, carefully troubleshooting and resolving technical issues in complex systems. More importantly, I restored the client's trust in the reliability and quality of the product.
